The Women Redressal Cell 2023-24)

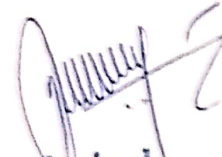

The Women Redressal Cell in the college is a very important body dedicated to addressing and mitigating issues related to gender discrimination, harassment, and inequality. It aims to create a safe and supportive environment for female students, faculty, and staff by providing resources, support, and redressal mechanisms. The Cell works proactively to ensure that the college environment is conducive to the personal and professional growth of women.

Objectives:

- **Promote Gender Equality:** To foster an environment that upholds and promotes gender equality in all college activities.
- **Prevent Harassment:** To actively prevent incidents of harassment and gender-based violence on campus.
- **Provide Support:** To offer support and counseling services to women facing discrimination or harassment.
- **Awareness and Sensitization:** To conduct awareness programs and workshops on gender sensitivity and women's rights.
- **Redressal Mechanism:** To establish a transparent and effective mechanism for addressing complaints and grievances related to women's issues.

Function

- Awareness Campaigns: The Women Redressal Cell organizes workshops, seminars, and campaigns to raise awareness about gender equality, women's rights, and the prevention of harassment.
- Counseling and Support Services: It provides counseling and emotional support to women who are victims of discrimination or harassment, helping them to cope and seek justice.
- Grievance Redressal: The Cell ensures a robust and confidential process for the redressal of complaints related to gender discrimination and harassment, ensuring timely and fair resolution.
- Policy Implementation: It oversees the implementation of college policies related to gender equality and the prevention of sexual harassment, ensuring compliance with legal and institutional frameworks.
- Training and Development: The Cell conducts training programs for students, faculty, and staff on gender sensitivity, legal rights, and the importance of a safe and inclusive environment.

Conclusion:

The Women Redressal Cell is an indispensable part of the college, playing a pivotal role in promoting gender equality and ensuring the safety and well-being of female students, faculty, and staff. Through its dedicated objectives and functions, the Cell works tirelessly to prevent harassment, support victims, and foster a respectful and inclusive campus culture. Its efforts not only empower women but also contribute to the overall development and harmony of the college community. By upholding the principles of justice and equality, the Women Redressal Cell paves the way for a more equitable and progressive educational environment.
